

Wire rope cutters

In response to advances in technology, Felco tools are subjected to the most sophisticated of checks and tests. The materials and components, which guarantee a superior quality, are most carefully selected .

Felco C7

Small single-hand cutter, light and easily handled. Hardened steel blades and centre bolt, pressed steel handles with plastic covering
Because of the special shape of the blades, cables are not crushed, but cut progressively.

Maximum capacity steel wire 1x19	Maximum capacity steel wire 7x19	Length	Weight	Buying unit	Article number
